Lexmark CX410 Series Multifunction Colour Laser Printer

Stunning Colour. Stellar Versatility.

The Lexmark CX410 Series MFP colour laser desktop printer does more than deliver PANTONE® colour matching and fast print, fax, copy and scan speeds, it offers optional solutions to help streamline your business. Want to do two-sided printing capabilities? Choose the CX410de. Need more capacity? Get the CX410dte.

10.9-cm (4.3inch) Touch Screen

Accurate Colour That's Brand-Worthy.

The Lexmark CX410 Series MFP delivers rich, consistent colour printing that can enhance your company's materials and brand. It's faster and more reliable than ever.

Freedom to Print on the Fly - Produce professional colour in-house, on demand. With 512 MB of upgradable memory and a fast dual-core processor, you'll have speed as well as power and convenience.

Professional Colour Matching - Lexmark Named Color Replacement and PANTONE® calibration make it easy to develop a consistent brand image by accurately matching your colours.

High Resolution Graphics - With up to true 1200x1200 dpi resolution, images and graphics stay crisp. Lexmark's Unison™ Toner ensures consistent quality, too.

Super Fast and Quiet Output - Quickly print, copy and scan up to 30 pages per minute in black and colour, plus produce a one-page colour document in as little as 11.5 seconds.

More Productivity. Less Hassle.

Produce everything on the spot, from in-store signage to customer presentations. Features, like an easy-to-read user control panel, large output bin and more, make printing a breeze.

Reliable Performance - Easily print up to 6,000 pages a month, plus enjoy fewer maintenance hassles, thanks to state-of-the-art paper handling.

Run Larger Jobs without Interruption - With an input capacity of up to 1,450 sheets and high yield toner cartridge options, you won't have to add paper or change cartridges as often.

Easy-to-Read Colour Touch Screen - Stay on top of your jobs with our convenient 10.9 cm (4.3 inch) colour touch screen and front direct USB port.

Innovative Toner That Optimises Performance - Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first print to last.

Productive Workflows. Sustainable Design.

Unisor

Quickly respond to changing business needs with our eco-friendly printers that streamline your workflow.

Help Workers Do More - With standard Gigabit Ethernet networking, our system can print jobs from the network faster, so your team stays productive.

Enjoy Enterprise-level Security - Now you can authenticate, authorise and audit employee usage. Plus, protect sensitive data using standard network security protocols.

Save Resources and the Planet - An instant warm-up fuser, built-in two-sided printing^{8,} plus Quiet, Hibernate and Eco modes minimise noise and save paper and energy.

Print Anytime and Anywhere⁶ - With this system, you can print from desktops as well as mobile devices that can run applications.

¹ Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798. ² "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ⁸ Maximum Monthly Duty Cycle' is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁶ Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⁶ Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. ⁶ For more information on Lexmark Mobile Solutions see: lexmark.com/mobile ⁷ Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁸ Duplex (two-sided printing) models are ENERGY STAR compliant, CX410de/dte only.
