

TROLLEY E700 with Anti-Collision Sensor

PROFESSIONAL DISPLAY SUPPORT

TROLLEY E700 is a motorized trolley for large screens and touch screens up to 100" and 150Kg.

It comes standard with an anti-collision system to guarantee maximum safety during its operation.

The 700 mm stroke allows the screen to be positioned anywhere a minimum of 1272 mm to a maximum of 1972 mm (measured in the center of the screen).

The swivel wheels are equipped with brakes.
